Local Author Program

November 8th at 7 p.m. Sara Meisinger will present a program on her journey of becoming a published author. Having read hundreds of books, Sara finally decided to write the stories playing through her own head. "Autumn's Grace" is the first story of hers to be published and it is a dream come true for her.

Sara lives in rural Marion County on a farm with her husband Mark and three sons. She teaches school at Berean Academy.

to me, fluttering from
the autumn tree." -

KS Reads To Preschoolers

Kansas Reads to Preschoolers is an annual event that promotes reading to all Kansas children from birth through age five. Through the statewide program, parents, librarians and caregivers are encouraged to read the chosen title during a selected month. This project is made possible by the State Library of Kansas and the Institute of Museum and Library Services.

The book chosen to be read in November is “Bear Sees Colors” by Karma Wilson & Jane Chapman.

Children ages 3 to 5 may enter a drawing with each visit to the library the week of November 14th through the 19th for a chance to win a copy of the book.
